

IMPORTANT

Please review the bid form. The documents can be found in the project document folder.

Schedule 1A: Booster Pump Station – BABA – This mean that all your materials must meet the BABAA requirements. I have attached additional information to the folder about the BABAA requirements.

Schedule 1A: Booster Pump Station without BABAA requirements.

Schedule 2A: Transmission Line – BABA - This mean that all your materials must meet the BABAA requirements. I have attached additional information to the folder about the BABAA requirements.

Schedule 2B: Transmission Line without BABAA requirements.

Example 1: If you are an Electrical Subcontractor and you are bidding on this job, you will fill out (4) bid schedules. Your Schedule 1A would be exactly like Bid Schedule 2B except Schedule A1 would include the additional cost to meet the BABAA requirements. This would be the same for Schedule 2A and 2B except Schedule 2A would include the additional cost to meet the BABAA requirement. We understand that this is awkward, however, we really need you to follow these instructions for your bid to be accepted.

Example 2: If you are a Masonry Subcontractor, you will fill out both Schedules 1A and Schedules 1B. Because the Transmission Line portion of this project does not have masonry, you would not need to fill out Schedule 2A and 2B.

Example 3: If you are a pipe material supplier, you will fill out all (4) schedules because there is pipe material in both the Pump Station and the Transmission Line. Your Schedule 1A would be exactly like Bid Schedule 2B except Schedule A1 would include the additional costs to meet the BABAA requirements. This would be the same for Schedule 2A and 2B except Schedule 2A would include the additional cost to meet the BABAA requirement. We understand that this is awkward, however, we really need you to follow these instructions for your bid to be accepted.

In addition to Schedules A1, A1, B1, B2, there are Schedules 3, Schedules 4A, Schedule 4B, Schedule 5A, Schedule 5B, Schedule 6, and Schedule 7. Please read these additional schedules to see if they apply to you.

If you are confused and would like additional clarification, please do not hesitate to contact me.
